Experience Better Living

Built In

The Aspire from Dimplex will redefine your electric fire experience with its advanced features, sleek design, and unparalleled customization options. This portrait electric fire offers a contemporary aesthetic which will add a stylish warmth and ambience to any space. Featuring the next generation of Optiflame technology, delivering a realistic electric fire that will ignite all your senses and truly captivate you. With its dancing flames that flicker like real fire and are enhanced by the pulsating and glowing logs, along with the crackling sounds, adding to the authentic fire experience. Aspire is more than just an electric fireplace; it's a statement of modern design and technological prowess. With advanced features and customization, it will make a statement in any home. Whether you're looking to enhance your living room, bedroom, or any other space, the Aspire promises to provide captivating flames and the perfect blend of ambience and warmth.

- **Advanced flame technology** - experience a new generation of patented Optiflame technology, delivering a highly realistic and stunning flame effect.
- **Realistic glowing logs** – features pulsating logs enhanced with inner glow technology that pulse in rhythm with the dancing flames.
- **Crackling sound effects** – enrich the sensory experience of your fireplace with the wood crackling sound.
- **Choice of installation options** – 1, 2 or 3-sided fireplace, the possibilities for customization are endless.
- **Patented Comfort$aver technology** – energy efficient heater offering up to 11% saving on energy costs.
- **Flame Connect App** – change the fire experience to your liking all by the touch of a button.

- One-sided decorative fireplace. Trim kit accessory available to make the fire 2 or 3 sided.
- New generation Optiflame technology, calming flames above the colourful glow bed.
- Flames rising over a highly realistic glowing fire bed.
- Flames and lamps use energy-efficient LEDs that require no maintenance.
- Comes as standard with a Lighted logset and tumbled glass.
- Ability to switch between glow bed colours.
- Colour alternating flame effects.
- Powerful fan-assisted heating by safe element that provides additional heating on demand.
- Control all functions of the fireplace from the comfort of your chair.
- 7 Day Programmable Timer.
